Catholic Primary School

# Mission Week

Lower Key Stage 2, Year A, Autumn Term 1

1 week

## We put Jesus at the heart of everything that we do.

special kind unique inventive  
generous awesome gentleness  
purity helpful good positive  
expressive enjoyable caring  
adventurous bouncy zingy  
fun truth colourful superb  
confident polite compassion  
friendly enthusiastic marvellous  
comforting nice remarkable  
happy magnificent great  
meaningful forgiveness  
exceptional joy wonderful  
interesting creative hopeful  
incredible spectacular  
original brilliant peace  
lovely service outstanding  
dynamic amazing  
dignity fabulous impressive  
beautiful sacrifice  
gorious fantastic tolerance  
exciting terrific delicious  
integrity cool considerate  
phenomenal laughing funny  
sharing humility loving  
energetic smiling captivating  
justice encouraging mercy  
gracious faithful important  
supporting delightful thankful  
hard-working tremendous

### The aims of our curriculum:

- We aim to be like Jesus the teacher, where all children learn to be good, inquisitive learners, capable of making our world a better place. Like Jesus our shepherd, no child will be left behind.
- We want our children to know more and remember more
- We aim to provide our children with a broad curriculum, rich with cultural capital.
- We aim to teach what is required from the National Curriculum as a minimum.
- We aim to create a curriculum that is teachable, clear and practical where possible.
- We want all of our children to progress so that they can tell us about their own progression in learning.
- We want our children to be able to tell us why they are learning what they are learning.

*“Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit.”*

*Matthew 28:19*

# Our Curriculum Drivers:

## Catholic Social Teaching

For homework, the children are going to create a Seesaw talent show. They are going to record themselves doing their God-Given Talent and publish it on Seesaw to share their talent with our Community, as God asked us to do.

We will be brave and courageous, sharing our talents isn't always easy!

Our teachers will share their talents too.

## Our Resilience

## Our Community

## Sustainability

We are going to audit our classroom to find out things that are 'used'. From rubbish to energy, we will consider how our classroom is organised so that we:

- Reduce waste
- Reuse resources
- Recycle

We will make systems for our class that can be used all year to reduce our carbon footprint.

We will label our class and produce a sustainability policy so that anyone using our room can be involved.

## Diversity and inclusion

We will create personal profiles, introducing ourselves to anyone that visits our classroom

We will focus on characteristics that make us unique, not things that are the same as others

# Mission Week:

## As members of the St. Peter's Family, we will:

- Revisit our school Mission, so that we know why we are here and what we are striving to achieve at school this year.
- Remember the words that we used to describe our perfect school. We will think about ways that we can achieve this in practice.
- We will remember the Gospel values given to us by Christ
- We will create a class code of conduct which aligns with our mission of putting Jesus at the heart of everything that we do.
  
- Our focus will be how we are made in the image and likeness of God. We will think about the person God wants us to be and how we can fulfil our potential, using our talents and skills.

## As writers we will:

- We will write prayers, thanking God for the talents we have been given and asking Him to help us use them.
- We will write a list of the class rules so that we know what is expected of us as we go through the year.
- We will write captions below our artwork to explain what we have created and why.

## As scientists we will:

- Consider who we resemble our own family members.
- We will use photographs of our own families to spot features that we share, and features that are different.
- We will consider the features within us that we were given from God (e.g. our personality traits etc)

## As artists we will:

- Create a 'family portrait' in the style of Rembrandt, by painting our own portrait in a pose as part of our Year 3.4 family
- We will use digital photography to create a picture of ourselves together.
- We will use the photograph to make a large family portrait, to hang outside our classroom so that visitors know who we are.
