## Merry Christmas everyone!

We've made it to the end of term! And what a term it's been! The staff have worked amazingly hard and I know I speak for you all when I say a massive thank you to them for all of their efforts. Teachers preparing such wonderful nativities, our cleaning team ensuring the decorations don't set off the alarm, the TA's comforting exhausted children; everyone has really worked hard to make this a really special Christmas time!

A huge thank you to you, our fabulous parents, who have not only been great in the run up to Christmas, but also throughout the Autumn term. I've loved getting to know you all in my first weeks at St. Peter's and I can't wait to work together again over the coming months.

At the heart of this season is a special child, that God sent to us as the greatest gift we could ever receive. At St. Peter's we value, nurture and respect each child, who was made in the image of God. At Christmas, we remember God's love for us and the gift of this special child, but also that all of our children are special and made in His image. And so our term draws to a close and I wish you all the happiest of Christmases and a wonderful new year with your families.

Have a great holiday!

Miss McNamara.
