Dear St. Peter's families,

We've had so much fun celebrating World Book day this week. We have been visited by a children's book author and had a really good time dressing up as our favourite book characters on Thursday. Today has been the icing on the cake with children each donating a book to our Accelerated Reader Library. We are really grateful for the support that we have received in this and I'm really looking forward to our children developing an even greater love of reading as they dive into our new book selection. Thank you for your support.

Have a wonderful weekend!

Miss McNamara.

Prayer for the Weekend

Jesus, enlighten our hearts so we can see your glory through our neighbours living in poverty. Bring light to mothers who long to see streams of justice pour out for their children.
Amen.

Smarties Winners 2016!

Congratulations to Class 1 who are the winners of the Smartie Tube Collection. The children look forward to choosing a prize for their wonderful fund-raising!

This week, we have been learning...

It has been non stop in Class 1, we have moved on to pink and peach crayons in 'The Day the Crayons Quit' and began the week thinking of words that rhyme. By mid week we were writing our own poems! In Maths, we have been doubling and halving and then World Book Day! What a treat to come dressed as a book character.

Class 2 have been really busy this week making our own information books on our new half term topic- Transport. We also had a lovely service in class where we thought about Christian Unity and read aloud our own prayers.

In Class 4 this week in English we have been working on organising our writing into themed paragraphs. In maths we have been comparing and classifying angles and 2d shapes. On Thursday we had great fun dressing up as our favourite book character to celebrate World Book Day. We created posters to show our love of reading.

Class 3 have taken over this week, and have been choosing their own project every day to create our magazine. They've made crosswords, written instructions, drawn comic strips, described monsters and so much more! They also had a brilliant Book Day on Thursday, with some truly incredible costumes. Well done all!

Mr Thomas has been teaching the class measures this week. In writing, we have been planning our short stories - making sure we 'hit' as many of our writing skills as we can! We have been learning parables meanings in RE as well as putting together group presentations on poverty in the world today.

Fr. John has sent his apologies for missing the Class 2 service. He was called to Warwick hospital in an emergency situation. Thank you to those parents who were able to attend.
