Dear St. Peter's families,

Our week had a dramatic start and we had to take the unusual step of closing school! Unfortunately (or fortunately for some!), the electricity board cut a wire on Bedford Street and we were out for the rest of the day. Luckily, things are all fixed and the quick thinking of helpful parents meant that in the absence of phones or the internet, the message was spread and all of our children were collected. Thank you for your patience, kindness and help during a potentially stressful situation. We are really pleased with how well our procedure went and are reassured that in the event of a more serious evacuation, both our staff and students would be well equipped to cope.

This weekend, I look forward to seeing as many of you as possible at the Summer Fayre; 12-3pm. The PTFA (on this occasions led by the immensely organised Mrs Harper!) have worked very hard to bring this event together and we are hoping it will be a great success. On Sunday, we will be celebrating the First Holy Communion mass in church and you are most welcome to come and join the celebrations with our Year 3 and 4 children on their special day.

Following on from last week's newsletter, I would like to share some of the comments that the children have made as part of our Acts of Random Kindness Project. They are really heart-warming and go a long way to help make the world a happier place. Please keep them coming in! Have a great weekend!

Mrs Bains is having difficulty identifying a bank giro credit payment made into the school bank account on 7th June for £93.01 from a Barclays bank account. If it is a payment that you have made please contact the school office. Thank you.

Miss McNamara.

Daniel (Y1) "Mr brother Luke let me go first in the shower."

Tom (Y1) "Hughie let me go in front of him in cricket."

Teagan (Y2) "Mrs Frost let me do a wordsearch I've been wanting to do for 2 days."

"Krish let me have the big comfy chair in assembly. I didn't even have to ask him. He gave it to me because he knew that assembly would be more comfy in it. Thank you Krish"

"My Dad was late for the golf so he could watch me play football."

"When I was desperate, Killian let me use his expensive glue on my work."

"I was stuck with something in my work and Poppy helped me. She also helped me with door monitors." Charlotte (Y6)

"Ase helped me to be happy." Mollie (R)

"Today, Bia asked me if I'd like to eat lunch with her which made me feel like someone cared about me. She also played with me at playtime."

Prayer for the weekend

Sweet Jesus, thank You for everything You have bestowed upon me.

You have sacrificed Your life to save all of mankind from our sins.

You have generously shared with us Your life when You could have chosen not to.

Forgive me for the sins I have done against You and for the ones I will be making.

I promise that I will be a better person for you and for others.

Bless the hands of the hard working, the hearts of the loving and the souls of those who help.

In Your name, I pray. Amen.

"May sat down and read a few books with me even though she had wanted to do a puppet show. I felt all warm and cosy then. I think that was kind and I think she's a good friend."

"Alice showed me her spellings when she saw that I didn't have mine with me."

"Today at tennis, Tom Connell said I was good at tennis, even though I lost."

This week, we have been learning...

'Our parents' have been the focus in Class Ones literacy work this week and all they do for us. We thought about all the jobs they might do before we even get up and after we have gone to bed. In maths we have worked on addition, ordering events and have been singing songs to learn the days of the week. The United Kingdom was the subject in Geography as we looked at the physical and human features of our land and created weather reports. In ICT, the children programed Lego to move which was interesting and fun!

This week Class 2 have been extremely busy. We have been learning all about the Great fire of London. We were engaged in some fabulous role play by acting out various characters and thinking about the jobs and activities they would have done at the time. We have also been writing diary accounts just like Samuel Pepys did! On Thursday we were reflecting on the Year of Mercy by writing some beautiful and thoughtful bidding prayers ready to read aloud at our Class service today.

Classes 3 and 4 had an incredible time at Pizza Express this week. They learnt all about the safety rules of working in a kitchen, all about the different jobs you can do in a restaurant, and most importantly they learnt all about the pizza making process! They got to stretch the dough, put it in a pan and load it with toppings. Some brave children even tried jalapeno peppers. When we got back to school, we celebrated with a well-earned pizza picnic. Delicious!

Class 4 have had a great week! We loved being chefs for the morning at Pizza Express, we have been busy with our Science unit about electricity and have created some wonderful information leaflets about secret

★ ★ ★ ★ ★ Stars of the Week!

Class 1
Milan for always approaching his work with enthusiasm and increasing stamina.

Class 2
Class 2 Star of the Week is Skyler for making so much progress through-out the year and really trying to speed up with her writing so she finishes tasks within the time she is capable of.

Class 3
Charlie, for great progress in Maths.

Class 4
Jack for being so conscientious and hardworking.

Class 5
Beatriz for an attitude that shows she is ready for Year 6!

In Class 5 this week, we have had the pleasure of having Hector with us! It has been fantastic having him with us. We have tried to sharpen up our use of French whilst having conversations! In science, we have learnt about the digestive system. Meanwhile, we have debated passionately the pros and cons of being in the EU - this class has some impressive speakers! In maths we have been showing what we can do or doing some real life maths challenges.

NOTICE

Please be aware that there will be no teas and coffees after the 9am mass this week. This is because it is First Communion and the hall will be being set up.
